<http://www.surgeonshall.com/location.aspx>

Lunch will be provided as well as activities for children. There will be a separate workshop for teens and young adults

An informal event created by those living with Alport Syndrome and supported by:

Do you want to find out more?

Alport Support Day hosted in Scotland

- Learn more about Alport Syndrome with Kidney, Genetics, Organ transplant, Hearing and Sight experts - put your questions to the medical team
- Find out about the experiences of others living with Alport Syndrome
- Meet individuals and families in similar situations and share your experiences

Feedback from the Alport Support Day December 2012 in London:

"The day has been amazing we are so glad we came and that the day has been possible. We no longer feel alone."

"It has been nice to meet other people in a similar circumstance and professionals who can explain things without google."

What to do next...

Registration now open. Simply email your details (name, address, phone number and email) to: meetings@alport.info

We are also planning an **International Science workshop** in Oxford in January 2014. Let us know if you are interested in updates and information
