Dear Mr and Mrs Jones

**Please support the charity alport uk**

*Insert an introductory paragraph that explains your connection with the person you are writing to and what you would like them to consider – a donation, supporting the charity with fundraising etc.*

Below is a bit more information about Alport Syndrome and what our charity aims to do:

**Alport Syndrome** is an inherited condition that can cause kidney failure, deafness and eye abnormalities. Those that inherit it will probably require a kidney transplant when they are young adults. It can impact a large number of people in a family. It is the second most common form of inherited kidney disease.

**Alport UK is a patient-led organisation** dedicated to facilitating a support and information network for all those affected by Alport Syndrome.

**Our Vision** is to ensure that all individuals and families with Alport Syndrome feel empowered to enjoy the best quality of life.

**Our Mission** is to work in partnership with individuals, families and the scientific community to:

- Facilitate a support network for patients and families
- Be a conduit for high quality, accessible information
- Raise the profile of Alport Syndrome in the scientific community
- Contribute to the international research agenda
- Collaborate on the development of a UK patient registry and alliance of international patient registries.

If you are interested in getting involved or supporting us with a donation, further activities or fund raising, please email our organisers Susie and Jules at [info@alportuk.org](mailto:info@alportuk.org) or call us on 01793 847264.
